JDK 설치하기

강 사 : 임 정 훈

The screenshot shows the Oracle website's header with the Oracle logo and navigation links: Products, Industries, Resources, Customers, Partners, Developers, Events. On the right, there is a search icon, a 'View Accounts' button (highlighted with a red box), and a 'Contact Sales' button. The main content area features a large banner for the 'VENTANA RESEARCH 15th Annual Digital Innovation AWARD WINNER'. The banner includes the Ventana Research logo and the text 'Ventana Research selects Oracle ME as most innovative product of the year'. Below this, a paragraph states: 'Ventana Research names Oracle the winner of the Overall Digital Innovation Award for Oracle ME—the only complete employee experience platform that empowers talent to connect, grow, and thrive.' A 'Read the press release' button is located at the bottom of the banner. The footer of the banner is split into two sections: 'Oracle Cloud Applications' on the left and 'Oracle Cloud Infrastructure' on the right.

- 우선은 **www.oracle.com** 사이트에 접속을 함.
- 오른쪽 상단의 **View Accounts** (빨강색 버튼)을 선택을 함.

The screenshot shows the Oracle website header with navigation links: Products, Industries, Resources, Customers, Partners, Developers, Events. A search icon and a 'View Accounts' link are also present. The main content area features a 'Ventana Research 15th Annual Digital Innovation AWARD WINNER' banner. To the right, there's a section titled 'Ventana Research most innovative' with a 'Read the press release' button. A sidebar on the right contains account creation options: 'Cloud Account' with a 'Sign in to Cloud' button, and 'Oracle Account' with a 'Sign-In' button and a 'Create an Account' button. The 'Create an Account' button is highlighted with a red box and a red arrow. At the bottom, there are two large buttons: 'Oracle Cloud Applications' and 'Oracle Cloud Infrastructure'.

- 오라클 계정이 없으면 하단의 **Create an Account** 버튼을 클릭.

Oracle Java

Java is the #1 programming language and development platform. It reduces costs, shortens development timeframes, drives innovation, and improves application services. With millions of developers running more than 51 billion Java Virtual Machines worldwide, Java continues to be the development platform of choice for enterprises and developers.

World-class support for AppDev

50% of Fortune 100 companies are on Oracle Java SE Subscription. Are you? Learn how you can get dedicated support from the stewards of Java, stay current on the latest security patches, and reduce costs.

[Talk to an expert](#)

- 오른쪽 상단의 **Download Java** 메뉴를 선택함.

Java SE subscribers have more choices

Also available for development, personal use, and to run other licensed Oracle products.

Java 8 **Java 11**

Java SE Development Kit 8u333

Java SE subscribers will receive JDK 8 updates until at least December of 2030.

The Oracle JDK 8 license changed in April 2019

The [Oracle Technology Network License Agreement for Oracle Java SE](#) is substantially different from prior Oracle JDK 8 licenses. This license permits certain uses, such as personal use and development use, at no cost -- but other uses authorized under prior Oracle JDK licenses may no longer be available. Please review the terms carefully before downloading and using this product. FAQs are available [here](#).

Commercial license and support are available for a low cost with [Java SE Subscription](#).

JDK 8 software is licensed under the [Oracle Technology Network License Agreement for Oracle Java SE](#).
